

Club name _____ Club # _____

Flying Site Information

The information we are requesting is to help us locate all of the flying site locations used by AMA chartered clubs throughout the United States. We will associate these locations directly with your club and publish the data on our website under the "Find a Club" tool. We understand that some locations may have accessibility restrictions. Please indicate if that location *cannot* be published.

If your club has multiple flying sites, *please complete a copy of this form for each location.* Google Maps is one of various Web sites that can assist identifying/verifying the correct latitude and longitude information.

Flying site name (if multiple sites) _____

Please provide lat/long coordinates for the center of this flying site. You can find a video at www.modelaircraft.org/clublatlong assisting you in obtaining the appropriate coordinates:

Latitude _____ Longitude _____

1. Does your club own or rent/lease the property?

Own Rent/lease Other _____

2. If the club does not own the property, who is the landowner?

Private Federal State County/city Other _____

3. Does your club have a formal use agreement with the landowner?

Yes No Don't know

4. Is this flying site open and available for model operation to non-AMA members?

Yes No

5. Is this flying site located in controlled airspace? If unsure, please visit www.modelaircraft.org/clubairspace and type in the address for your flying site. Please check yes, if any part of your flying site falls within the radius of a blue circle?

Yes No

6. If you are operating in controlled airspace, do you have a written letter of agreement with Air Traffic Control/Airport as it pertains to your model operations??

Yes No Don't know

7. On an average day, how many pilots can safely fly at this location at any given time?

Club name _____ Club # _____
