

AGREEMENT FOR BASIC BUSINESS INTERNET BANKING SERVICES ("BIB AGREEMENT")

Dear Business Internet Banking Client:

We at Renasant Bank ("we" or "Bank") are pleased to make available our Basic Business Internet Banking and Bill Payment Services (the "BIB Service"). The BIB Service set forth in this "BIB Agreement" replaces any existing business internet banking and bill payment agreements with us.

To enroll in BIB Service, an authorized signer who is authorized on each of your accounts per your resolution on file with the Bank, must first approve this BIB Agreement and complete an online enrollment process. You may begin using the BIB Service once the Bank has approved such enrollment.

Thank you for choosing Renasant Bank for your business needs. We appreciate the opportunity to serve you. If you would like to hear about our Enhanced Business Internet Banking Service, which offers features not available through the BIB Service, or have questions about any other Treasury Management Services, please contact your local branch for the name of your Treasury Management representative.
